# GENERAL INSTRUCTIONS FOR SENTENCE COMPOSITION
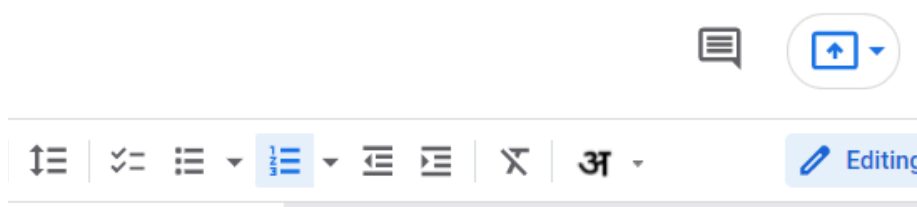

NOTE: PLEASE READ THE INSTRUCTIONS VERY CAREFULLY. ALL THE POINTS MUST BE FOLLOWED WITHOUT FAIL FAILING WHICH THE SENTENCES WILL NOT BE CONSIDERED.

1. You should be native to the language/dialect that you are taking up the task of composing sentences

2. You should have good proficiency (speaking and writing) in the selected Language/dialect

3. A set of topics will be provided to you and you will compose the requested number of sentences for each topic provided to you as much as possible

4. The composition task has to be done in google sheets where English topics/ keywords are provided in col B. There is also a reference link for that topic given in col D. You have to put your sentences in col E.

5. **You should write only 1 sentence in one cell.** If the topics in the certain domain sheets are repeated N times,then you have to compose that many number sentences for that topic.

6. You must submit the composed sentences by typing them in the Google sheets provided to you in the chosen language script

7. You can type in your own language script in google docs directly. You can go to File< Language < Select the language. For example: You can see the Hindi letter **"अ"** appearing after choosing the Hindi language

8. You should compose the sentences such that the vocabulary size increases gradually i.e., new words are preferred as sentences are being composed

9. You should not add/ modify/ delete any given topic names. Do not add extra rows or columns unnecessarily.

10. You will be given 1 week of time to compose 1000 sentences and a total of 2000 sentences in 2 weeks, failing which your work will be discontinued

11. **Please make sure the character length doesn't exceed 110 for every sentence**.

12. You should not take sentences from any (copyrighted) sources

13. **You should strictly stick to the topic and domain given to you while composing the sentences, failing which the sentences will not be considered.** For example if the topic is Mango, you should write something related to mango farming/ relate to some agricultural aspects.

Good example	Irrelevant example
● Did you know Uttar Pradesh ranks first in mango production? ● In karnataka badami and Banganapalli varieties of mango are majorly cultivated.	● I was eating Mango the other day! ● Can you please tell me the recipe for mango pickle?

14. No sentences should be repeated. Every composed sentence must be **unique**

15. **The sentences which you compose should not be similar to each other**. Example:

    ● **Milk** is a balanced food which contains almost all vitamins and minerals needed for the human body

    and

    ● **Egg** is a balanced food which contains almost all vitamins and minerals needed for the human body

Note: Such similar sentences also will not be considered.
